***General rules***

***Section 3***

***Payment of fees, costs and charges***

Obsolete

## 1 Introduction

Articles [178 to 181](#) and [Annex I EUTMR](#)

Article 6 CDR

Article 6 CDFR

The specific rules on the payment of fees and charges in European Union trade mark (EUTM) matters are laid down in Articles [178 to 181](#) and [Annex I EUTMR](#). The full list of fees can be found on the Office website.

Similarly, for registered Community designs (RCDs), in addition to the provisions contained in the basic CDR and in the CDR, there is a specific regulation on the fees payable to the Office (CDFR). This regulation was amended in 2007 following the accession of the European Union to the Geneva Act of the Hague Agreement Concerning the International Registration of Industrial Designs.

Finally, the Executive Director of the Office is empowered to lay down charges that may be payable to the Office for services it may render and to authorise methods of payments in addition to those explicitly provided for in the EUTMR and the CDFR.

The differences between fees, costs and charges are as follows.

- **Fees** must be paid to the Office by users for the filing and handling of trade mark and design proceedings; the above regulations determine the amounts of the fees and the ways in which they must be paid. Most of the proceedings before the Office are subject to the payment of fees, such as the application fee for an EUTM or an RCD, renewal fees, etc. Some fees have been reduced to zero (e.g. registration fees for EUTMs, transfers for EUTMs).

The amounts of the fees have to be fixed at such a level as to ensure that the revenue is in principle sufficient for the Office's budget to be balanced (see [Article 172\(2\)](#) and [recital 39](#) of the EUTMR). In order to guarantee the full autonomy and independence of the Office, the Office's revenue comes principally from fees paid by the users of the system ([recital 37](#) of the EUTMR).

Rights of the Office to the payment of a fee are extinguished after 4 years from the end of the calendar year in which the fee fell due ([Article 108 EUTMR](#)).

- **Costs** refer to the costs of the parties in *inter partes* proceedings before the Office, in particular for professional representation (for trade marks see [Article 109 EUTMR](#) and Articles [18](#) and [27](#) EUTMR; for designs see Articles 70 to 71 CDR and Article 79 CDR). Decisions in *inter partes* cases can contain, where necessary, a decision on fees and costs of the professional representatives, and must fix the amount. The decision on costs may be enforced once the decision has become final, pursuant to [Article 110 EUTMR](#).
- **Charges** are fixed by the Executive Director of the Office for any services rendered by the Office other than those specified in [Annex I EUTMR](#) ([Article 178 EUTMR](#)).

The amounts of the charges laid down by the Executive Director will be published in the Official Journal of the Office and can be found on the website under decisions of the Executive Director. Examples are the charges for mediation in Brussels or for certain publications issued by the Office.

The payment of a fee and indication of the nature of the fee and the procedure to which it refers does not dispense with the obligation to meet the other remaining formal requirements of the procedural act concerned unless expressly established in the EUTMR, the CDR and the secondary legislative acts (e.g. for renewals). For example, the payment of the appeal fee and the indication of the number of the contested decision is not sufficient for filing a valid notice of appeal (31/05/2005, [T-373/03](#), Parmitalia, EU:T:2005:191, § 58; 09/09/2010, [T-70/08](#), Etrax, EU:T:2010:375, § 23-25).

## 2 Means of payment

### [Article 179\(1\) EUTMR](#)

#### Article 5 CDFR

Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges

All fees and charges must be paid in euros. Payments in other currencies are not valid, do not create rights and will be reimbursed.

The admissible means of payment are, in most cases, bank transfers, debits from the current accounts held at the Office, and (for certain online services only) debit or credit cards. Cash payments at the Office's premises and cheques are no longer accepted (03/09/2008, [R 524/2008-1](#), Teamstar / TeamStar).

In line with [Article 178 EUTMR](#) and [Article 71 of the EUIPO's Financial Regulation](#), the Office provides services upon the advance payment of the corresponding fee or charge.

The Office does not issue invoices or debit notes to claim payment for fees or charges as they must be paid before the services are provided by the Office and therefore there are no outstanding payments.

However, the Office can provide a receipt to confirm payment when requested by the user.

Additionally, for each request submitted by a party to proceedings before the Office, the Office issues an acknowledgement of receipt of the request where the fee amount is indicated.

## 2.1 Payment by bank transfer

Money may be sent to the Office by means of transfer. A fee is not deemed to be paid if the order to transfer is given after the end of the time limit. If the fee is sent before the time limit but arrives after its expiry, under specific conditions the Office may consider the fee has been duly paid (see [paragraph 4.1](#) below).

### 2.1.1 Bank accounts

Payment by bank transfer can only be made to one of the Office's bank accounts. For details on these accounts, refer to the 'Fees and Payment' section of the Office's website (<https://euipo.europa.eu/ohimportal/en/fees-and-payments>).

Concerning bank charges, it is important to make sure that the entire amount reaches the Office without any deductions.

### 2.1.2 Details that must accompany the payment

[Article 179\(2\) and \(3\) EUTMR](#)

Article 6 CDFR

Every payment must indicate the name of the person making the payment and must include the information the Office needs to immediately identify the payment's purpose.

#### 1. Name

Regarding **the name of the person making the payment**, the sender's full name must be included in the sender field of the bank transfer.

#### 2. Purpose

Regarding the **payment's purpose**, the description field of the bank transfer must include the information needed to immediately identify the payment's purpose.

Additionally, it is recommended that contact details be provided either in the sender field or in the description field. This allows the Office to contact the person making the payment should this be necessary.

The Office provides users with a single **payment transaction code**. If a party selects 'bank transfer' as the payment method when filling out an online e-filing form in the User Area, the system will provide a unique eight-digit payment transaction code in the filing receipt. The first two digits stand for the current year, the next five digits are a mix of numbers and letters and the last is a control number (e.g. 2139EDH2).

**It is highly recommended to put the payment transaction code in the description field of the bank transfer, preferably at the beginning.** This field should also include the nature of the fee, for instance the type of proceedings in abbreviated form (see examples below), and the application or file number. Following these **two crucial items**, other information can be included, such as the name of the party or

representative (when different from the person making the payment) and their Office ID number.

Properly filling in the name and description fields in the bank transfer will ensure that the Office identifies the payment correctly and deals with the applications or procedural acts in a timely manner. Since these fields have character limits, it is recommended to use abbreviations where possible and avoid excessive use of spaces or initial zeros in numbers.

The following are suggested abbreviations (or a combination thereof) for the most common transactions before the Office subject to a fee, and can be used, along with the payment transaction code, to assist in identifying the payment:

Description	Abbreviation
Application fee for EUTM or RCD	EUTM, RCD
International application fee	IA
Renewal fee	REN
Opposition fee	OPP
Cancellation fee	CANC
Appeal	R
Recordal	REC
Conversion	CONV
Inspection of files	IOF
Current Account	CA
Owner ID number	OWN ID
Representative ID number	REP ID

For example, when paying for an EUTM filing where a payment code has been provided (2132EDH2), the EUTM application number appears on the receipt (184583674) and it is filed by a Representative that has an ID with the Office (ID 1024891), the preferred description would be **'2132EDH2 EUTM 184583674 REP ID1024891'**.

Another example, where a Representative (ID 1024891) is making a payment to replenish a current account held with the Office (account No 6361), as there would be no individual payment transaction code, the preferred description would be **'CA6361 REP ID 1024891'**.

**Incorrect or insufficient information** identifying the file the payment is linked to can cause considerable delays in processing the applications or procedural acts.

When the information supplied is **insufficient for the Office to establish the purpose of the payment**, the Office will contact the person making the payment (if they provided their contact details), and specify a time limit within which the missing

information must be provided, failing which the payment will be deemed not to have been made and the sum will be reimbursed (if the sender provides the necessary bank details).

Where there is **contradictory information** in the description field identifying more than one file or proceeding, the Office will contact the sender (if they provided their contact details), and specify a time limit for them to clarify which of the files the payment should be linked to. In the absence of clarification, the payment will in principle be considered to be for the file identified in first place in the payment description field. For example, a payment of EUR 850 for an EUTM application with two payment transaction codes (e.g. '2132EDH2, 2141KHG1, EUTM') in the description field, each relating to a different EUTM filing. Where the party does not reply to the Office's letter, the payment will be linked to the EUTM application first identified, namely, in the example, the one with the payment transaction code '2132EDH2'.

## 2.2 Payment by debit or credit card

Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges

[Annex I A EUTMR](#)

Article 5(2) CDFR

Most online services can be paid for by debit or credit card, provided that payment is made for a service requested through the User Area. However, payment by debit or credit card is not yet available for all of the Office's fees. The relevant online tool (e.g. e-filing) will indicate when a fee can be paid by credit or debit card. In particular, debit or credit cards cannot be used to pay charges referred to in [Article 178\(1\) EUTMR](#) and Article 3 CDFR or for filling up a current account.

Debit or credit card payments allow the Office to make the best use of its own automatic internal systems, so that work on the file can start more quickly.

Debit or credit card payments are immediate (see [paragraph 4.2](#) below) and are therefore not allowed for making delayed payments (payments to be made within 1 month from the filing date).

Debit or credit card payments require some essential information. The information disclosed will not be stored by the Office in any permanent database. It will only be kept until it is sent to the bank. Any record of the form will only include the debit or credit card type plus the last four digits of the debit or credit card number. The entire debit or credit card number can safely be entered via a secure server, which encrypts all information submitted.

## 2.3 Payment by the Office current account

Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges.

It is advisable to open a current account at the Office as, for any request that is subject to time limits, such as filing oppositions or appeals, the payment will be deemed to have been made on time, even if the relevant documentation for which the payment was made (e.g. a notice of opposition) is submitted on the last day of the deadline, provided that the current account has sufficient funds (see [4.3 Payment by current account](#) on page 49) (07/09/2012, [R 2596/2011-3](#), Stair Gates, § 13-14). The date on which the current account is actually debited will usually be later, but payment will be deemed to have been made on the date on which the request for a procedural act is received by the Office, or as otherwise convenient for the party to the proceedings, in accordance with Article 8 of Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges.

The following may hold current accounts (Article 3 of Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021; see the Guidelines, [Part A, Section 5, Parties to the Proceedings and Professional representation](#)):

1. natural or legal persons who, in accordance with Article 5 EUTMR and Article 1(b) CDIR, may be proprietors of EU trade marks or holders of RCDs;
2. persons who may act as representatives in accordance with Article 120 EUTMR and Article 78 CDR;
3. associations of representatives;
4. natural or legal persons authorised by proprietors of EU trade marks or holders of RCDs for the purposes of Article 53(1) EUTMR or Article 13(1) CDR.

If the person that has filed the application or the respective procedural act is the holder of a current account with the Office, the Office will automatically debit the current account, unless instructions to the contrary are given in any individual case. In order for the account to be correctly identified, the Office recommends clearly indicating the Office ID number of the holder of the current account with the Office.

The system of current accounts is an automatic debiting system, meaning that upon identification of such an account, the Office may, according to the development of the procedures concerned and insofar as there are sufficient funds in the account, debit all fees and charges due within the limits of the aforementioned procedures, and a payment date will be accorded each time without any further instructions. The only exception to this rule is made when the holder of a current account who wishes to exclude the use of their current account for a particular fee or charge informs the Office thereof in writing. In this scenario, however, the holder of the account may change the

method of payment back to payment by current account at any time before the expiry of the payment deadline.

The absence of an indication or the incorrect indication of the amount of the fee does not have any negative effect, since the current account will be automatically debited with reference to the corresponding procedural act for which the payment is due.

If there are insufficient funds in a current account, the holder will be notified by the Office and given the possibility to replenish the account with sufficient funds to allow for the payment of the fees concerned and of the administrative charge, which is 20 % of the total of the late fee. The administrative charge must not in any event exceed the maximum of EUR 500 or the minimum of EUR 100.

If the holder does replenish the account, the payment of the fee will be deemed to have been received on the date the relevant document in relation to which the payment was made (for instance a notice of opposition) is received by the Office. If payment concerns the replenishment of a current account, it is sufficient to indicate the current account number.

Where the current account is replenished to cover only part of the amount due, the debit will be made, without exceptions, in the following order:

1. the administrative charges will be debited first; then,
2. if there are several fees or charges pending, the debit will be made in chronological order, taking into account the date when the fees were due, and only where the complete fee can be debited.

Where the current account is not replenished to cover all of the administrative charges and fees concerned on time, the payment will be deemed not to have been made and any rights depending on the timely payment will be lost.

The Office provides current account holders with access to their current account information over a secure internet connection. The account holder can view, save or print account movements and pending debits online via the User Area of the Office website.

Payment of a fee by debiting a current account held by a third party requires explicit written authorisation. The authorisation must be given by the holder of the current account and must state that the account can be debited for a specific fee. The authorisation must reach the Office before payment is due. Payment will be considered effective on the date the Office receives the authorisation.

If the holder is neither the party nor their representative, the Office will check whether such authorisation exists. Where the authorisation is not on file, the Office will inform the party concerned. In the absence of the submission of the holder's authorisation on time, that is, before payment is due, the party's request to debit the fee will be disregarded by the Office.

A current account can be opened at the Office either by emailing a request to [fee.information@euipo.europa.eu](mailto:fee.information@euipo.europa.eu) or by initiating an e-Action in the User Area.

The minimum amount required to open a current account is EUR 1 000.

Once an account has been opened, the Office reserves the right to close a current account by written notification to the holder, in particular where it deems that the use made of the current account was not in accordance with the terms and conditions laid down in Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges, or when it is determined that there has been a misuse of the account. Misuse could be considered in situations such as systematic lack of funds, repeated misuse of third-party authorisations or multiple accounts, non-payment of administrative charges, or situations where the actions of the account holder have led to an excessive administrative burden on the Office. For more details on closure, reference is made to Article 13 of Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges.

### 3 Time of Payment

[Article 178\(2\) EUTMR](#)

Article 4 CDFR

Fees must be paid on or before the date on which they become due.

If a time limit is specified for a payment to be made, then that payment must be made within that time limit.

Fees and charges for which the regulations do not specify a due date will be due on the date of receipt of the request for the service for which the fee or the charge is incurred, for example, a recordal application.

### 4 Date on which Payment is Deemed to be Made

[Article 180\(1\) and \(3\) EUTMR](#)

Article 7 CDFR

Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges

The date on which a payment is deemed to be made will depend on the method of payment.

## 4.1 Payment by bank transfer

When the payment is made by transfer or payment to an Office bank account, the date on which payment is deemed to have been made is the date on which the amount is credited to the Office bank account.

### 4.1.1 Late payment with or without surcharge

A payment that is received by the Office after expiry of the time limit will be considered to have been made in due time if evidence is submitted to the Office that the person who made the payment (a) duly gave an order, within the relevant period for payment, to a banking establishment to transfer the amount of the payment, and (b) paid a surcharge of 10 % of the total amount due (up to a maximum amount of EUR 200). Both conditions must be fulfilled in accordance with the judgment of 12/05/2011, [T-488/09](#), Redtube, EU:T:2011:211, § 38, and decision of 10/10/2006, [R 203/2005-1](#), BLUE CROSS MEDICARE / BLUE CROSS.

The same is not true for the late payment of the surcharge. If the surcharge is late, the entire payment is late and cannot be remedied by the payment of a 'surcharge on the surcharge' (07/09/2012, [R 1774/2011-1](#), LAGUIOLE (fig.), § 12-15).

The surcharge will not be due if the person submits proof that the payment was initiated more than 10 days before expiry of the relevant time limit.

The Office may set a time limit for the person who made the payment after the expiry of the time limit to submit evidence that one of the above conditions was fulfilled.

For more information on the consequences of late payment in particular proceedings, see the relevant parts of the Guidelines. For example, the Guidelines, Part B, Examination, Section 2, Formalities, deals with the consequences of late payment of the application fee, while the Guidelines, Part C, Opposition, Section 1, Opposition Proceedings, deals with the consequences of late payment of the opposition fee.

### 4.1.2 Evidence of payment and of the date of payment

[Article 180\(4\) EUTMR](#)

[Article 24 EUTMIR](#)

Article 63 CDR

Article 81(2) CDIR

Article 7(4) CDFR

Any means of evidence may be submitted, such as:

- a bank transfer order (e.g. SWIFT order) bearing stamps and the date of receipt from the bank involved;

- an online payment order sent via the internet or a printout of an electronic transfer, provided it contains information on the date of the transfer, on the bank it was sent to, and an indication such as 'transfer done'.

In addition, the following evidence may be submitted:

- acknowledgement of receipt of payment instructions by the bank;
- letters from the bank where the payment was effected, certifying the day on which the order was placed or the payment was made, and indicating the procedure for which it was made;
- statements from the party or its representative in writing, sworn or affirmed or having a similar effect under the law of the State in which the statement is drawn up.

This additional evidence is only considered sufficient if supported by the initial evidence.

This list is not exhaustive.

If the evidence is not clear, the Office will send a request for further evidence.

If no evidence is submitted, the procedure for which the payment was made is deemed not to have been entered.

In the event of insufficient proof, or if the payer fails to comply with the Office's request for the missing information, the latter will consider that the time limit for payment has not been observed.

The Office may likewise, within the same time limit, request the person to pay the surcharge. In the event of non-payment of the surcharge, the deadline for payment will be considered not to have been observed.

The fee or charges or the part thereof that have been paid will be reimbursed since the payment is invalid.

The documents may be filed in any official language of the EU. Where the language of the documents is not the language of the proceedings, the Office may require that a translation be supplied in any Office language.

## **4.2 Payment by debit or credit card**

Articles 16 and 17 of Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges

Payment by credit or debit card is deemed to have been made on the date on which the related filing or request is successfully completed via the User Area and if the money actually reaches the Office's account as a consequence of the credit or debit card transaction, and is not withdrawn at a later date. If, when the Office attempts to debit the credit or debit card, the transaction fails for any reason, payment is considered not to have been made. This applies in all cases where the transaction fails.

### 4.3 Payment by current account

Article 8 of Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges

If the payment is made through a current account held with the Office, Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges provides that the date on which the payment is deemed to be made is fixed in order to be convenient for the party to the proceedings. For example, for the application fee for an EUTM, the fees will be debited from the current account on the day of receipt of the application. However, the account holder may instruct the Office to debit its account on the last day of the one-month time limit provided for payment. Likewise, upon renewal, the fees for renewal (including the class fees) are debited on the day of receipt of the request, unless the account holder requests otherwise.

If a party withdraws its action on the same day it was submitted, or before the end of the time limit to make the payment, the fee (where applicable) will not be debited from the current account. See paragraphs [5.1](#) and [5.6](#) below on the specific conditions for refund of application and renewal fees where payment is made by current account, and [Guidelines, Part A, Section 1, Means of Communication, paragraph 3.1.6, Withdrawal of submissions](#)).

## 5 Refund of Fees

[Article 108](#), [Article 179\(3\)](#) and [Article 181 EUTMR](#)

Articles 6(2) and 8(1) CDFR

Article 30(2) CDIR

The refund of fees is explicitly provided for in the Regulations. Refunds are given by means of bank transfer or through current accounts with the Office, even when the fees were paid by debit or credit card.

As a general rule, if a declaration that is subject to the payment of a fee has been withdrawn before or on the day the payment is deemed to have been made, the fee will be refunded.

Where a fee is to be refunded, the refund will be made to the party directly or to the representative on file (if one is appointed) at the time the refund is made. Refunds will not be made to the original payee where this person is no longer on file.

## 5.1 Refund of application fees

[Article 32](#) and [Article 49\(1\) EUTMR](#)

Articles 10, 13 and 22 CDIR

In the event of the withdrawal of an EUTM application, fees are not refunded except if a declaration of withdrawal reaches the Office:

- (in the case of payment by **bank transfer**) before or at the latest on the same day as the amount actually entered the bank account of the Office;
- (in the case of payment by debit or **credit card**) on the same day as the application containing the debit or credit card instructions/details;
- (in the case of payment by **current account**, and where the holder explicitly requested the application fee to be debited on the last day of the 1-month time limit provided for payment or, where later written instruction has been given to immediately debit the current account within that month) before or at the latest on the same day on which the payment is due to be debited.

Where the basic application fee has to be refunded, any additional class fees paid will be refunded as well.

In all the above scenarios, a filing date will not be assigned to the EUTM application.

The Office will only refund additional class fees on their own where they have been paid in excess of the classes indicated by the applicant in the EUTM application and where such payment was not requested by the Office or where, upon examination of the classification, the Office concludes that additional classes have been included that were not required in order to cover the goods and services contained within the original application.

As regards **designs**, if a withdrawal is received before a filing date has been granted, any fees paid will be refunded. However, under no circumstances will the fees be refunded if the design applied for has been registered.

## 5.2 Refund of the opposition fee

Articles [5\(1\)](#), [6\(5\)](#) and [7\(1\) EUTMDR](#)

If an opposition is deemed not entered (because it was filed after the 3-month time limit), or if the opposition fee was not paid in full or was paid after the expiry of the opposition period, or if the Office refuses protection of the mark *ex officio* pursuant to [Article 45\(3\) EUTMR](#), the Office must refund the fee (see [Guidelines, Part C, Opposition, Section 1, Opposition Proceedings, paragraph 6.4, Fee refund](#)).

### 5.3 Refund of the fee for an application for revocation or for a declaration of invalidity

[Article 15\(1\) EUTMDR](#)

If an application for revocation or for declaration of invalidity is deemed not to have been entered because the fee was not paid within the period specified by the Office, the Office must refund the fee, including the surcharge (see [Guidelines, Part D, Cancellation, Section 1, Cancellation Proceedings, paragraph 2.3, Payment](#)).

### 5.4 Refund of fees for international marks

Decision No [ADM-11-98](#) of the President of the Office related to the regularisation of certain reimbursements of fees

For information on the different scenarios where a refund may be applicable in processes relating to international applications and registrations where the EUIPO is the office of origin and/or designated office, see the Guidelines, [Part M, International Marks](#).

### 5.5 Refund of appeal fees

[Article 33 EUTMDR](#)

Article 35(3) and Article 37 CDIR

Provisions regarding the refund of appeal fees are dealt with under [Article 33 EUTMDR](#) and Article 35(3) and Article 37 CDIR.

### 5.6 Refund of renewal fees

[Article 53\(8\) EUTMR](#)

Article 22(7) CDIR

Fees that are paid **before** the start of the first 6-month time limit for renewal will not be taken into consideration and will be refunded.

Where the fees have been paid, but the registration is not renewed (i.e. where the fee has been paid only after the expiry of the additional time limit, or where the fee paid amounts to less than the basic fee and the fee for late payment/late submission of the

request for renewal, or where certain other deficiencies have not been remedied), the fees will be refunded.

Where the owner has filed a request for renewal of an EUTM and subsequently either totally or partially (in relation to some classes) withdraws the renewal request, the renewal fee will only be refunded:

- if, in the case of payment by **bank transfer**, the Office received the withdrawal before or at the latest on the same day as the amount actually entered the bank account of the Office;
- if, in the case of payment by **debit** or **credit card**, the Office received the withdrawal before or on the same day as receiving the debit or credit card payment;
- if, in the case of payment by **current account**, and where the holder explicitly requested the fee to be debited on the last day of the 6-month time limit provided for payment, and the Office received the withdrawal within the 6-month time limit for renewal or, where later written instruction was given to debit the current account immediately, before or at the latest on the same day that the payment is due to be debited.

For further information, see [the Guidelines, Part E, Register Operations, Section 4, Renewal](#).

## 5.7 Refund of insignificant amounts

### [Article 181 EUTMR](#)

Article 9(1) CDFR

Article 18 of Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges

A fee will not be considered settled until it has been paid in full. If this is not the case, the amount already paid will be reimbursed after the expiry of the time limit allowed for payment, since in this case the fee no longer has any purpose.

However, insofar as it is possible, the Office may invite the person to complete payment within the time limit.

Where an excess sum is paid to cover a fee or a charge, the excess will not be refunded if the amount is insignificant and the party concerned has not expressly requested a refund. Insignificant amounts are fixed at EUR 15 by Decision No [EX-21-5](#) of the Executive Director of the Office of 21/07/2021 concerning methods of payment of fees and charges and determining the insignificant amount of fees and charges.

## **6 Fee Reduction for an EUTM Application Filed by Electronic Means**

### [Annex I A\(2\) EUTMR](#)

Decision [No EX-20-9](#) of the Executive Director of the Office of 3 November 2020 on communication by electronic means

According to [Annex I A\(2\) EUTMR](#), the basic fee for an application for an individual mark may benefit from a reduction if the application has been filed by electronic means. The applicable rules and procedure for such an electronic filing may be found in Decision [No EX-20-9](#) of the Executive Director of the Office of 3 November 2020 on communication by electronic means in conjunction with the [Conditions of Use of the User Area](#) as established in this decision.

In order to be considered an application for an EUTM filed by electronic means in the sense of [Annex I A\(2\) EUTMR](#), the applicant has to insert all the goods and/or services to be covered by the application directly into the Office tool. Consequently, the applicant must not include the goods and/or services in an annexed document or submit them by any other means of communication. If the goods and/or services are annexed in a document or submitted to the Office by any other means of communication, the application will not be considered as having been filed by electronic means and may not benefit from the corresponding fee reduction.

## **7 Decisions on Costs**

### [Article 109 EUTMR](#)

[Article 1\(k\)](#), Articles [18](#) and [27](#) EUTMR

### **7.1 Fixing of costs**

The decision fixing the amount of costs includes the lump sum provided in [Article 27 EUTMR](#) for professional representation and fees (see above) incurred by the winning party, independently of whether they have actually been incurred. The fixing of the costs may be reviewed in specific proceedings pursuant to [Article 109\(7\) EUTMR](#).

## 7.2 Enforcement of the decision on costs

### Article 110 EUTMR

The Office is not competent for enforcement procedures. These must be carried out by the competent national authorities.

#### 7.2.1 Conditions

The winning party may enforce the decision on costs, provided that:

- the decision contains a decision fixing the costs in their favour;
- the decision has become final;
- the decision bears the order of the competent national authority.

#### 7.2.2 National authority

Each Member State will designate a single national authority for the purpose of verifying the authenticity of the decision and for appending the order for the enforcement of Office decisions fixing costs. The Member State must communicate its contact details to the Office, to the Court of Justice and to the Commission ([Article 110\(2\) EUTMR](#)).

The Office publishes such designations in its Official Journal.

#### 7.2.3 Proceedings

1. The interested party must request the competent national authority to append the enforcement order to the decision. For the time being, the conditions on languages of the requests, translations of the relevant parts of the decision, fees and the need for a representative depend on the practice of the individual Member States and are not harmonised but are considered on a case-by-case basis.

The competent authority will append the order to the decision without any other formality beyond the verification of the authenticity of the decision. As to wrong decisions on costs or fixing of costs, see [paragraph 7.3](#) below.

2. If the formalities have been completed, the party concerned may proceed to enforcement. Enforcement is governed by the rules of civil procedure in force in the territory where it is carried out ([Article 110\(2\) EUTMR](#)). The enforcement may be suspended only by a decision of the Court of Justice of the European Union. However, the courts of the country concerned have jurisdiction over complaints that enforcement is being carried out in an irregular manner ([Article 110\(4\) EUTMR](#)).

### 7.3 Apportionment of costs

In *inter partes* proceedings, the Opposition Division, the Cancellation Division and the Boards of Appeal take, where necessary, a decision on the apportionment of costs. Those costs include in particular the costs of the professional representatives, if any, and the corresponding fees. For further information relating to the apportionment of costs in opposition proceedings, see the Guidelines, [Part C, Opposition, Section 1, Opposition Proceedings, paragraph 6.5, Decision on the apportionment of costs](#). Regarding cancellation proceedings, see the Guidelines, [Part D, Cancellation, Section 1, Cancellation Proceedings, paragraph 4.3.4, Decision on apportionment of costs](#). Where the decision contains obvious mistakes as regards the costs, the parties may ask for a corrigendum ([Article 102\(1\) EUTMR](#)) or a revocation ([Article 103 EUTMR](#)), depending on the circumstances (see the Guidelines, [Part A, General Rules, Section 6, Revocation of Decisions, Cancellation of Entries in the Register and Correction of Errors](#)).
